

Pre-Order Checklist

Get everything ready before you submit your order!
This helps us move faster, quote accurately, and avoid delays.

Ordering Method (Choose One)

- Bulk Order (you collect sizes & payments)
- Online Store (everyone orders individually)
- Live Printing (on-site at your event)
- Not sure → Explain your situation and we'll recommend the best option

Order Basics

- I know the Item type(s) I need (t-shirts, hoodies, totes, etc.)
- I have quantities of each item (*Not Applicable for Online Stores*)
- I'm committed to a deadline (when you need the order, not your event date)
- I have a budget (or open to recommendations)

Design Direction

- My artwork is *production-ready and ready to send to Artwork@MarinsCustomApparel.com
- OR I have a clear description of my idea
 - Logos, inspiration images, or references/inspo
 - All text/phrases for the design
 - Print locations (front, back, sleeve, etc.)

Note: Clear direction = faster turnaround. We will not start creating artwork until we have a clear idea of what you need.

***Production-Ready:** We accept **PNG** files at 300 DPI and a transparent background OR **vector** files.

Item Preferences

- I know the item color(s)
- I know the style of the items (basic, premium, oversized, etc.)
- I have a brand preference for my items (or open to suggestions)

Sizes & Quantities

- I have the size breakdown (S–XXL, etc.)
- I know the quantity per size *(Not Applicable for Online Stores)*

Payment Collecting

- I know who is paying for the order
- I have a plan for tracking payments, if needed *(Not Applicable for Online Stores or Live Printing)*
 - I have collected all (or most) of the money *(Not Applicable for Online Stores or Live Printing)*

Final Check

- My quantities are final
- My artwork is production-ready or my direction is clear
- My order deadline is confirmed
- I'm ready to submit all key details
